

Pioneer Quilt Retreat

November 2018

Project: Staggered Gardens

Fabric Requirements:

- 1 layer cake
- 2 co-ordinating jellyrolls that are the same and have a variety of light and dark fabrics

OR if you wish to use up scraps or stuff from your stash:

- 21-24 10" squares (you'll have a couple of extras to play around with)
- 21 48" x 2½" strips for inner border of each square
- 21 64" x 2½" strips for the outer border of each square.

I used florals for my squares, but you don't have to. Tone on tones or solids work best for the borders.
