

Fall 2026 Fabric Requirements

55" x 64" (30 Blocks) or 46" X 56" (20 Blocks)

Fabric Requirements are given for the larger size so you will have leftover fabric if you opt to do 20 blocks rather than 30.

I used the Tilda Brie Basics collection for the accent fabrics and a solid coordinating pink for the background.

Fabric Requirements

Accents (& Binding) 16 Fat-quarters

Background 3 m

Supplies: Tri Rec ruler set – this is an absolute must! It makes sewing the star blocks so much easier than cutting and sewing from paper templates. It is a great investment because you will use it over and over.

To get ahead of the game and so that you can finish the quilt top at the retreat, I strongly suggest you pre-cut your fabric before the retreat.

Cutting Directions:

From each of the 16 Fat-Quarters

Cut 4 strips, 2" x 21", cut 8 1/2" strip off one of the strips

Cut 2 strips, 3 1/2" x 21" for the Rec units (see instructions on how to cut)

From the Background and inner border

Cut 6 strips, 2" x 42" for the borders

Cut 4 strips, 3 1/2" x 42", for 64 Tri pieces (see instructions on how to cut) and cut 4 pieces 2" x 3 1/2"

Cut 3 strips, 3 1/2" x 42", crosscut into 60 pieces 2" x 3 1/2"

Cut 4 strips, 2" x 42", crosscut each strip into 4 pieces 2" x 8 1/2"

Cut 5 strips, 6" x 42", cut into 30 squares 6" x 6", cut once diagonally

Cut 7 strips, 2 1/2" x 42" for the outer border

**THIS IS
INCREDIBLY
IMPORTANT!!!!**

Tri-Recs Ruler cuts:

For the Rec – Place two different 3 1/2" Accent strips, **wrong sides together**, right side of fabric up. Make 8 pairs of triangles only. You will not need to cut the whole strip. Place the bottom of the template on the 3 1/2" strip of fabric and cut the shape.

Turn the template around and trim again. Remember to nub the corner as shown on the template.

2. For the Tri - Place the Tri ruler piece on the 3 1/2" strip of background fabric and cut both sides, then turn the template around and cut again. Continue turning the template each time. Cut 60 Tri pieces.

If you want to get a jump on the sewing, you can do step 1:

Group the 2" accent strips into four sets of four.

Sew one group of four different 2" x 21" strips together. Press the seams in the direction of the arrows. Make three strip sets of each group. Crosscut each strip set into 2" wide segments.

Sew one each of the group 2" wide segments together for the Block 2 center. Press the seams in one direction. Make 15 (There will be lots of segments left for the border and Block 2 centers.)
