The Moose Song

There was a great big moose
Who liked to drink a lot of juice
There was a great big moose
Who liked to drink a lot of juice

Chorus:

Way-oh, way-oh
Way-oh way-oh way-oh way-oh
Way-oh, way-oh!
Way-oh way-oh way-oh way-oh

The moose's name was Fred
He liked to drink his juice in bed
The moose's name was Fred
He liked to drink his juice in bed *Chorus*

He drank his juice with care
But he spilt it in his hair
He drank his juice with care
But he spilt it in his hair *Chorus*

God's Fingerprints are Everywhere

In the beginning God made the sea

(make a "C" with your hand when you say "sea")

And the forest filled with trees

(wave your hands)

He made the mountains up so high

(jump up and down making a point with your hands)

And on the very top God placed the sky

(jump up and make with arms strait up and bend your wrists at the top making it look like putting the sky there)

God's fingerprints are everywhere

(flick your fingers)

Just to show how much He cares

(hug yourself)

And in the end He had lots of fun

(swoop your fist in front of you)

He made a hippo that weighed a ton

(when you say "ton," put your arms away from your sides making something look big)

Hip-Hip-Hippopotamus

Hip-Hip-Hurray, God made all of us

Hip-Hip-Hippopotamus

Hip-Hip-Hurray, God made all of us

Lean on Me

Bill Whithers 1972

Sometimes in our lives we all have pain
We all have sorrow
But if we are wise
We know that there's always tomorrow

Chorus

Lean on me, when you're not strong
And I'll be your friend
I'll help you carry on
For it won't be long
'Til I'm gonna need
Somebody to lean on

Please swallow your pride
If I have things you need to borrow
For no one can fill those of your needs
That you won't let show *Chorus*

You just call on me brother, when you need a hand
We all need somebody to lean on
I just might have a problem that you'll understand
We all need somebody to lean on *Chorus*

Heaven Song

(by Phil Wickham © 2009 Fair Trade Services, LLC)

You wrote a letter and You signed Your name
I read ever word Read it page by page
You said that You'd be coming coming for me soon
Oh my God I'll be ready for You

I want to run on greener pastures
I want to dance on higher hills
I want to drink from sweeter waters
In the misty morning chill
And my soul is getting restless
For the place where I belong
I can't wait to join the angels and sing my heaven song

I hear Your voice and I catch my breath
Well done my child enter in, in rest
As tears of joy roll down my cheek
It's beautiful beyond my wildest dreams

I want to run on greener pastures
I want to dance on higher hills
I want to drink from sweeter waters
In the misty morning chill
And my soul is getting restless
For the place where I belong
I can't wait to join the angels and sing
No I can't wait to join the angels and sing my heaven song

Abide with Me & Taps

Abide with me
Fast falls the eventide
The darkness deepens
Lord with me abide
When other helpers fail and comforts flee
Help of the helpless
Lord abide with me

Day is done
Gone the sun
From the lakes
From the hills
From the sky
All is well
Safely rest
God is nigh
