

## GENERAL INFORMATION

- Ideally all clothing should be synthetic and non-cotton (better to have fleece, wool or synthetic material, as cotton takes a long time to dry), even cotton blend is better than straight cotton.
- These items do not have to be brand new. We encourage that you borrow items or purchase from a thrift store.
- Bring enough clothing for 6 days at camp for various weather conditions.
- Horseback Riding boots and helmet are optional (we have plenty of rubber boots and approved riding helmets on site to use for riding).
- We encourage campers to bring what they need to feel comfortable to sleep (teddies, books, etc.).
- Please label all clothing & gear brought to camp to ensure their return!
- Please leave all electronic devices and valuables at home. 😊
