Additional Items for Sr. Boys and Sr. Girls Out-Trips Only Below

Please do your best not to send cotton clothing with your child(ren). Cotton clothing when it gets wet takes a long time to dry and increases the likelihood of your child(ren) getting sick or cold.

- *We strongly recommend synthetic (nylon, polyester) materials for day-to-day wear, as they naturally keep moisture off your body and help to regulate your body's temperature and wool or fleece layers to provide warmth, as they will stay warm even when they get wet.*
- *These items do not have to be brand new. We encourage you to borrow items or purchase them from a thrift store.*
