

2017 Fall Quilt Retreat Project

Fabric Requirements:

- 20 5" width of fabric strips **OR** 12-14 fat quarters in a variety of light, medium and dark of one colour.
 - ❖ Also have a variety of designs – small and large scale prints, solids etc.
- .5m of contrasting fabric for the “slashes”.

Border fabrics:

- You can either add one border or have a narrow inner border using the slash fabric and an outer border.
- You probably need about 2m for the outer border, which will also give you enough for the binding.

Some good colour combinations for this quilt:

- Purple/Red
- Blue/Red
- Green/Red (if you want a Christmassy vibe)
- Yellow/Grey
- Blue/Pink
- Blue/Yellow
- Green/Pink

IMPORTANT: Whatever you choose, make sure that the “slash” fabric will be a high contrast to your block fabrics.
